Sustainable Development Goal 1: No Poverty

There' s a noticeable section on the website of NIU to guide students with needs for the information about scholarship and grants. If there' s something financially emergency happened to caused student having difficult to go to school, we offer the emergency grants, and also consulting service to help students.

The screenshot shows the website of the National Ilan University Student Affairs Office. The main navigation bar includes links for Home, School Home, Website, and Search. The main content area features a house-shaped graphic with icons for various services like career development, international exchange, and safety. A sidebar on the left lists navigation options such as '關於生輔組', '母冊消息', '人員編制', '相關法規', '表單下載', '常見 Q & A', and '聯絡我們'. The main content area has a breadcrumb trail: '首頁 / 生輔率訓組 / 獎助學金'. Below this is a section titled '獎助學金專區' (Scholarship and Grants Special Area) with a sub-section 'Information of scholarship and grants'. A table of recent announcements is displayed, listing dates and titles of various scholarship notices.
